

Thankful Tree

This can be used as a class project or for each individual student. Have students write what they're thankful for on each leaf, pumpkin and acorn. They will glue them onto the tree.

Creativity4Learning

I am Thankful for...

Thankful Tree

This can be used as a class project or for each individual student. Students can color the leaves (or you can copy onto colored paper). Have students write 1 thing they're thankful for on each leaf, pumpkin and acorn. They will glue them onto the tree. Thanks for purchasing a Creativity4Learning product.
