Scheduling Your Wedding

- Fill out The Reservation Request form for the facility of your choice. Note: there are several times during the year when the facilities are not available, and therefore, no weddings are conducted during these times: Commencement (Mid-May), and Homecoming (weekend prior to Thanksgiving). Also, weddings from December 23rd through January 1st, or on major holidays, can only be scheduled upon special approval. Weddings are scheduled 12 months or less in advance. As soon as possible, do the following to begin the scheduling procedure:
- Choose your officiating minister and schedule premarital counseling, as required. Then fill out the top portion of the Request to Officiate Wedding form. Your minister must complete and sign the middle portion of that same form.
- Upon approval by SDFC's Senior Pastor and receiving one-half of the wedding fee and both forms, your wedding and rehearsal dates will be scheduled on the church calendar. One of our wedding coordinators will contact you 8 weeks prior to your wedding to go over details.

What Is Included with the 24-30 hours rental of the property:
