If yes, how many?

Please know that we will process your request as soon as possible. Once we match you with a child (or children) we will send you your child information and the MTN Welcome Packet that should have all the information you need. Please do not send any money until you receive your packet with your start date indicated in your letter.

## Sponsor Commitment

Thank you for your desire to sponsor a child! We are excited to be teaming with you in an effort to share the love of Christ with your child and his/her family while meeting their physical needs. Your commitment to your child is an amazing testimony of love and service. For this reason we ask that you would take your commitment seriously. Please note the following and take care to be diligent in your commitment.

1. Pray for your child and his/her family
2. Have \$35 dollars to MTN Office Alaska by the 20th of each month
3. Notify MTN Alaska if personal information changes
4. Notify MTN Alaska if for any reason you need to withdraw from the program

If at any time you are unable to fulfill your commitment please don't hesitate to let us know. It is much easier on everyone if you simply notify MTN Office in Alaska, rather than discontinuing your payments. Your child is the one who suffers for this. This is in no way a binding contract, it is simply to inform you of what you are signing up for.
