9. Share your thoughts regarding the statement by C. S. Lewis... ““A man who was merely a man and said the sort of things Jesus said would not be a great moral teacher. He would either be a lunatic — on a level with the man who says he is a poached egg; or else he would be the devil of hell. You must make a choice. Either this man was, and is, the Son of God (the Man-God); or else a madman or something worse. You can shut him up for a fool, you can spit on him and kill him as a demon; or you can fall at his feet and call him Lord and God. But let us not come with any patronizing nonsense about his being a great human teacher. He has not left that open to us. He did not intend to.”
