

Series: The Ghost I Wish You Knew

Sermon: Filling

April 22, 2018

1. Which phrase best describes you?

- A. I am a Jesus follower and I have the Holy Spirit inside and I connect with Him often.
- B. I am a Jesus follower and I have the Holy Spirit inside and I occasionally feel nudged or prompted by Him.
- C. I am a Jesus follower and I have the Holy Spirit inside, but I have never allowed the Holy Spirit to lead my life.
- D. I am not a Jesus follower, but I have “felt” something at times in my life.

2. Do you struggle with being patient? If so, why?

3. Share an experience where you had to wait because you were not ready to do something.

4. Read Acts 1:3-5; 2:1-4.

- A. How difficult do you think it was for the disciples to wait on the gift that was promised?
- B. Why do you think they were told to wait?
- C. What do you think the experience was like when the Holy Spirit filled them?

5. What do you attribute to the difference in the disciples before the death of Jesus and after the Day of Pentecost? Of course, the answer is the Holy Spirit, but how do you see the Holy Spirit specifically working in their lives?

6. Read Ephesians 3:16 and 5:19. What do these verses mean?

7. The following statement was made today...“You can let the Holy Spirit in you without letting him have you.” What would it mean for you to let the Holy Spirit have you?

8. Pray together as a group for a willingness and availability to the Holy Spirit.
