Core52 – Ready, Set, Go!

READY! – Get your book

Almost 6 dozen HCC families have received their free copy of Core52. To get yours please come to the Welcome Centre before or after worship on Sundays, or e-mail Rob Tudball (rtudball@gmail.com) who will meet you at the church at a time convenient to both of you.

If you have missed seeing the previous information about this please see the attached documents: HCC Info Sheet # 1.pdf HCC Info Sheet # 2.pdf

SET! – Get in a Group

Core52 is not something intended to be done on your own ... it is meant for you to do with one or more other people. The HCC leadership is not creating groups ... we are leaving that up to you this time ... but we will help anyone join or form a group if they don't know how to do that.

Groups themselves will determine how often they meet (weekly, bi-weekly, etc.), when they meet (Mondays 7:00pm; Saturdays 9:00am; etc.) and where they will meet (in-person at a designated location; in a virtual meeting space such as Google Hangouts; Zoom; Microsoft Teams; Google Meet; etc.) Again, if you aren't sure what is best, we can make some suggestions to your group or leader.

How big should the groups be? As small as 2 and as large as 6 (we want you to leave room for your group members to be able to invite more people).

Group Leaders

We have not contacted previous group leaders and asked them to start a group we wanted to see what might simply form and who might rise up to take a lead. This has already started to happen (thank you to those who have done this). Some of you might want to start or lead a group but don't know how. Please just contact Pete and he will help you get started.

In the coming weeks Pete will begin to make available to the group leaders a vision of what a group can accomplish and how the leader might see their role. He will provide leaders training for those who wish to have that opportunity (it will be available online, in one form or another).

Also attached to this e-mail is the leader's guide for the first two chapters. We will make these available to all the group leaders (a separate pdf-format document for each chapter of Core52). These are being prepared now and will be posted on the HCC website and waiting for when a group is ready for each new chapter.

IMPORTANT: Leaders ... if you have formed a group or will form one, please let Pete know who is in it (so we will know who still needs to be placed).

If you have a book then please register online in order to have access to the daily resources for each week. It also allows you to track your own progress.

A Typical Week Using Core52 (see pages 3-4 in the Introduction of Core52)

This structure is what we encourage in all groups to help everyone work through each biblical topic:

Day 1 – Read the 4-page essay; also, watch the 4-5 video in your Core52 online account, unless you are watching it together in your group

Day 2 – memorize the core verse; make use of the short video in your Core52 online account (see Day 2 online for the chapter you're in);

Day 3 – read the core Bible story;

Day 4 – meditate on three verses with the same core;

Day 5 – accomplish the core verse action step (best done with a partner or perhaps even in your group).

Day 6 – group meets to discuss what they have just learned from their readings;

Day 7 – break from Core52.
