We've been a part of the Dearborn community since 1942. During that time, we've been able to support our neighbors by providing space for many community activities -- scout meetings, yoga classes, meetings and more. Our usage fees are very reasonable and help cover maintenance costs for our building. Please contact us to learn more about our building and how it might fit into your plans.

- *Wi-Fi available in some areas*
- *No alcohol, smoking, fundraising or gambling permitted on the premises.*
