## Suggested All-Church Prayers for May 2021

- **Philippians 1:9** – “And it is my prayer that your love may abound more and more, with knowledge and all discernment” – *Lord, we ask that you open our hearts to one another more and more and that we can bring your truth into our friendships in ways that help us all grow!*
- **Facility Development** - *Pray for the County Building Department. What normally might take a matter of days is taking months. This is slowing down our neighbor's house building project which, in turn, slows down our projects.*
