Cost: Study Guide - \$10
Note: No babysitting is provided
Contact Info: 403-257-2486/403-807-8811
Michelle_van@hotmail.ca

Description: This is a seven week study through the book of Galatians. In this book we see the Galatian church faced with a choice between two “gospels”. The teachers in Galatia were teaching them that they needed to believe in Christ + works in order to be right with God. On the other side is Paul teaching that the only way to be right with God is through faith in Jesus Christ alone! We explore this relevant struggle that exists even today.
