## CE MISSION

Church Experience exists to help more people experience a full life in Jesus Christ!

## HEY CE FAMILY!

Thank you for being such a generous church! Because of you, we've seen hundreds of people make commitments to Jesus Christ and grow in their relationship with God! We've seen families helped, souls saved, people served in our communities, new church locations launched, and God's Kingdom expanded! Thank you for helping more people experience a full life in Jesus Christ!

This **NEXT** resource initiative is an opportunity for us to collectively make a bigger Kingdom investment that will have an impact that stretches into future generations! Through **NEXT**, we get to introduce more people to Jesus, equip more Christians to learn and grow, help more people in need in our cities, invest in more of the next generation, start more new CE church locations that are Biblically solid while being modern in style, faithfully preach the Gospel, and do more to build up God's Church!

We, along with your other CE pastors and leaders, want to ask you to prayerfully consider giving financially above and beyond your regular giving (designated to **NEXT** for the campus you attend) so that we can move the vision forward in this year ahead!

## RECENT WINS

- We had our biggest Easter by far with **2201** (**1711** in person) and **86** commitments to Jesus Christ!
- We purchased a former nightclub in Jacksonville (North Carolina) and are preparing to renovate it and turn it into a church building!
- New Life Church in Roanoke Rapids (NC) merged into CE and are already seeing significant attendance growth.
- We fully launched **2 new** CE campuses in the first half of the year, including one on 6 acres of land (with building) we were given in Ridge Manor, Florida
- We have **4 upcoming** CE locations (of our total **12 campuses**) that are preparing to launch in 2026 (in the states of Florida and North Carolina).

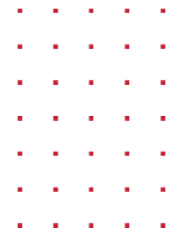

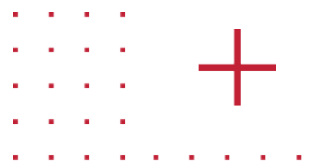

Can you imagine a future, possibly only decades away, where there are hundreds of amazing and healthy **Church Experience** locations faithfully preaching the Gospel, seeing souls saved, lives changed, and people helped in Jesus name? Can you see a church that maintains biblically solid theology while continually adapting a modern style of ministry to effectively reach the spiritually lost in our cities? Can you see it?

**Your investment today can shape the spiritual landscape of our world tomorrow!**

## WHAT WE'VE BEEN HEARING FROM YOU!

"My life is definitely different today. I came to CE with no experience in Christianity. I ended up at CE through the Life Group I was invited to by a friend. Eventually I accepted the invitation and began my journey. What a great journey so far!"

"I've seen changes in my marriage and how we've grown together. I believe that group nights were a huge factor because I learned so much about the Word of God and how to personally apply it to my life."

"Before I started coming to CE my relationship with God was good but not great. Now I've learned more and feel encouraged to read and share the Good News."

"Since attending CE, my love for God has grown. Life Groups and the overall spirit and excitement of CE has contributed to my enthusiasm and growth."

## CONTINUED...

"Positive, humble, honest, best church family ever!!!"

"Love the people and the sense of authentic community at [the campus I attend]. Good quality coffee too!"

"I feel the messages are real and the way people attending and serving is genuine. I feel so welcome here!"

"Scripture filled, knock your socks off, Sunday messages. Welcoming environment & approachable pastors and team."

## FAQs

### How can I help with NEXT and when does it start?

You can give a generous and sacrificial offering above and beyond your normal tithe on or before Sunday, December 14 (in person, through our website/app, or mail). We encourage you to pray and ask God how much He would want you to give above & beyond your normal giving.

### I am already giving to God through CE. Should I move my giving to NEXT instead?

Your weekly tithes are already making a big impact for Jesus week in and week. We are asking you to make a commitment above and beyond your current tithe (as a sacrificial and generous offering) to God through Church Experience. We're asking that you please do not move your current giving over to the NEXT fund which could hurt current ministries.

### How do I designate my giving specifically to NEXT?

When you give online, you can select the NEXT fund and your campus from the drop-down menu at: [churchexperience.tv/give](https://churchexperience.tv/give)

If you write a check, you can write NEXT in the memo line and if you give through an offering envelope, you can write NEXT on the "other" line of the CE offering envelope. You may also transfer securities or property with potential additional tax advantages.

## WHEN DOES THIS BEGIN AND END?

We're asking you to give significantly on or before December 14, 2025 for the Christmas Offering (our gift to Jesus as we celebrate His birth), but we are also asking you give to God through NEXT at your campus whenever God blesses you with the ability to give an offering above & beyond your normal giving throughout 2025-2026. Thank you so much!

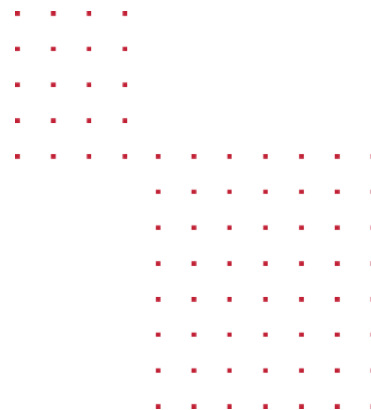

Would you prayerfully consider committing to a weekly, monthly, or annual gift **starting on December 14th** (in person or online), designated to the **NEXT** fund, above and beyond your regular giving?

You can give online to the **NEXT** fund at:
