"GUARDING YOUR HEART"

A word from our Pastor

It's that time of the year! The time when we think about candy, roses, cards, and of course, hearts.

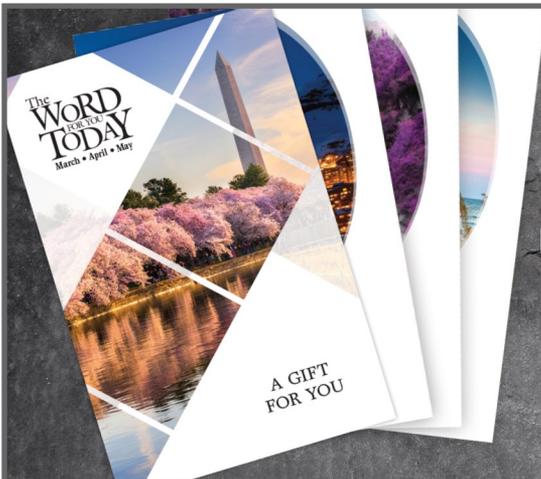

Yes, hearts. 

But not that kind, and not the heart beating within your chest. But the kind that encompasses much more than those. Your "whole heart" with which Jesus said we should love the Lord. Your inner self, your genuine character, the hidden core of your being, or the real you. If that part is causing you trouble, perhaps we should discuss a transplant. Hey, it's not as bad as it sounds! It is going to be quite simple and life-giving. It is one procedure you'll be glad you showed up for. Come on. Let's hear what the surgeon has to say.

God Bless,
Pastor Gary and Karol.
