A Message from our Pastors . . .

There is a time to tear down and a time to mend, a time to be silent and a time to speak. (Ecc.3:7).

It is said that silence allows the brain to refocus.

There are many ways to communicate with God through prayer. But when we do so in the stillness of silence, it seems that our hearts are better equipped to hear the Lord's voice. Without background noise, our minds are able to single out the Lord's voice more clearly. In the calm we are better able to align our thoughts and bring all our cares to Him. In silence, we can find His wisdom for us. Psalm 46:10 says "Be still and know that I am God."

Do you have prayers you need to present to God ? Silent prayer can calm your soul and give you needed peace.

Blessings, Judy and Jerry
