### *A word from our Pastors . . .*

*And Jesus increased in wisdom and stature and in favor with God and men. Luke 2:52*

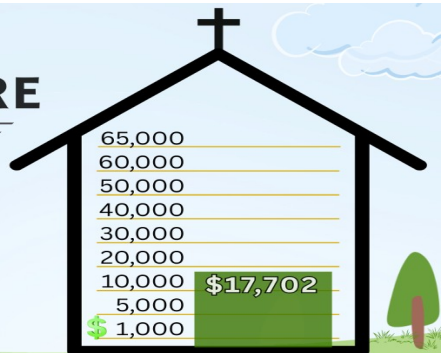

Even Jesus in His humanity, grew spiritually. He grew intellectually, physically, and socially. If the Lord Jesus needed to grow spiritually while on earth, we shouldn't be surprised that we do too.

What does it mean to grow spiritually? It means to come to know Him better and love Him more. Spiritual growth involves studying the scriptures, drawing from them the needed guidance and strength each day. It means developing more joy, peace, and patience as the Holy Spirit conforms us to the image of Christ. And it means serving Him knowing our labor in the Lord is not in vain.

God Bless you all,  
Jerry and Judy
