A Prayer for Health by Cindy Jones

Heavenly Father, I come before you in Jesus' name. I thank you that your Word says I should prosper and be in health even as my soul prospers. Thank you that your Word says I am healed by the stripes of Jesus and that you sent your Word and healed my disease. Because of the blood of Jesus shed on Calvary, that same blood that made a way for me to approach you and receive forgiveness, and because of the scourging Jesus endured to purchase my healing, I ask that you heal my body. Let your healing power go through my veins and heal me. Let my organs function. Let my blood be full of the right things and free from the wrong things. Remove every invading germ from my body. Restore any damage done by past sicknesses.

Thank you, Father, that these things are done for me by the blood of Jesus. I receive your healing and give you all the praise.

In the name of Jesus, amen.
