A Word from our Pastors . . .

I relieved his shoulder from the burden. (Psalm 81:6)

Are you carrying around a heavy burden? So was a bull elk in Colorado that somehow stuck his head into an abandoned car tire and got it caught around his neck. As his antlers grew, the tire was impossible to shake off. He was tracked for two years as he wandered around "tired." His heavy rubber necklace weighed him down day and night. Finally wildlife officials were able to find and tranquilize him. They removed the heavy weight from his neck before releasing him back into the wild.

The Lord knows how much we can carry, and He knows how to lift the burdens from our shoulders. So cast your cares on Him today, He cares for you.

Blessings, Pastors Jerry & Judy
