HAPPY
Mother's Day

Today we honor women in all forms of Motherhood.

To our own mothers, we appreciate you. To those who gave birth recently, we celebrate with you. To those who daily fight the battle of food stains and temper tantrums, we salute you. To those who carry the burden of single parenting, we rally around you. To those who have empty arms due to loss of any kind, we grieve with you. To those who walk the long, lonely path of infertility, we wait with you. To those who have adopted, we admire you. To those who are foster moms, mentor moms, and spiritual moms, we need you. To those who are single and long to have families of your own, we are expectant with you. To those who will be empty-nesters this year, we walk with you. To those who are expecting a new life soon—whether by nature or adoption, we rejoice with you.

To all who experience motherhood in any form, you are seen and loved. You are the real warriors!

*"Pay close attention, my child, to your father's wise words and **never forget your mother's instructions**. For their insight will bring you success, adorning you with grace-filled thoughts and giving you reins to guide your decisions." Proverbs 1:8-9*

NOTE: please write **BOTH** your **FIRST and LAST Name** on the **Offering Envelope** so that we can enter it properly into our data base. **Thank you!!!**
