

Celebrating God's goodness over the past 14 years.

A word from our Pastor -

Happy 14th Anniversary, Life Church Meridian! We love celebrations, especially anniversary celebrations. It is exciting to remember from where God has brought us. But it is even more exciting to trust God for that which lies ahead. It's called F-A-I-T-H! Eugene Peterson describes it in *The Message* like this...

The fundamental fact of existence is that this trust in God, this faith, is the firm foundation under everything that makes life worth living. It's our handle on what we can't see. The act of faith is what distinguished our ancestors, set them above the crowd (Heb 11:1-2 -MSG).

Today we celebrate the faith that has sustained us over the past fourteen years. We celebrate how God's faithfulness has strengthened our faith to believe him for even greater things today and in the days ahead. Though everything around us is changing, our calling and resolve must never change. We must continue to heal the wounded, disciple the believers, love each other, forgive one another, grow closer together and closer to Christ, and pierce the darkness reaching the lost at home and abroad. Our purpose is to be a lighthouse to the travelers on this interstate and the citizens of this community, reaching to the ends of the earth, making fully devoted followers of Christ. We are only beginning. Find your place. Join the team. Let's do this! God Bless, Pastor Gary and Karol
