A Word from our Pastors -

One of the seeds known and sown in Israel, the mustard seed was the smallest. Yet it produced a plant that grew up to 15 feet high! Inside that tiny seed, God placed the makings of a great plant that would develop in season, watered by rain and energized by sunshine. He specializes in bringing much out of little.

Your influence may be limited, your church may be small, your means may be modest, and your abilities may be humble. But God brings great results from small efforts that are faithfully rendered. The power comes from Him, and so does the growth. Do your humble part and God will use it mightily.

Blessings,
Pastors Judy & Jerry
