

## Heartland Youth Camp Information and Packing List

HYC will be hosted at our new location at Eagle Rock Retreat Center ([www.eaglerockretreat.org](http://www.eaglerockretreat.org)), where you will find Christian fellowship, fun and growth. Eagle Rock Retreat Center is located 75 miles southwest of downtown Springfield, MO and 65 miles northeast of Fayetteville, AR off Highway 86 in Eagle Rock, Missouri.

This camp is part of the Christian Retreats Network. Eagle Rock has several different areas with log cabins and dorm style lodging, a beautiful, fully staffed dining lodge and many meeting spaces to choose from. Recreational facilities include spacious athletic fields which include soccer, softball and soccer, a disc golf course, bouldering wall, an in-ground saltwater pool, three chlorine pools, sand volleyball, basketball, hiking, bonfires and even includes an archery and bb gun range!

The property is located on 1,500 acres of beautiful Ozark Mountain scenery. Its trails and rolling hills make it a great place for cabin groups to go on short hikes with their counselors. It is an ideal and wonderful place to send your teen to camp.

\*\*\*The dining hall can accommodate children's food allergies (peanut, gluten, dairy). If your teen's allergies are severe, you may send in premade meals and they will warm them up and serve them to your child along with the rest of the campers.
