A Policy Addressing the Prevention of Physical and Sexual Abuse and Harassment of Children and Adults
Guidelines for Paid Staff and Volunteers

I. Policy Statement
Recognizing God’s tender love and concern for children and adults, we believe that it is Hope Lutheran Church’s responsibility to do everything reasonably possible to protect the children and adults of this congregation from any form of abuse or harassment while they are under our care. While it is impossible to completely protect those in our care, it is necessary that we take all reasonable precautions. It is also our responsibility to educate and guard our employees and volunteers from being suspected or falsely accused of wrongful behavior toward any youth or adult of this congregation. Therefore, we have created the following guidelines for the prevention of Abuse and Harassment within our congregation.

II. Creating and Maintaining a Safe Environment: Prevention and Training
It is our goal to create a safe haven for adults and children to worship God, experience God’s life-giving love, and to use their gifts to the glory of God. In order to create this environment, it is important for the staff of the congregation to appropriately screen and train the volunteers and staff. Many individuals who abuse children or adults move frequently from congregation to congregation. These abusers will often pass by congregations that have sound abuse and harassment prevention and training programs. Therefore, we have developed the following screening process that volunteers must complete before serving at Hope Lutheran Church.

A. Screening Process for Volunteers and Paid Staff

1. Six Month Participation Requirement

   All volunteer staff who work with children/youth or vulnerable adults shall be active participants of Hope Lutheran Church. While membership at Hope Lutheran Church is not necessary, regular participation in worship and/or programming for the past six months is necessary if an individual chooses to work with children/youth or vulnerable adults at Hope Lutheran Church. Exceptions to this guideline may only be granted by the pastoral staff following a personal interview and/or background and reference check.

2. Application Process

   All paid and volunteer staff that work with children/youth or vulnerable adults will fill out and sign the attached volunteer application form and return it to the church office before beginning service. (Minors will need to have a parent/legal guardian’s signature)

3. Submission to a Criminal Background Check (This is not required of minors.)

   All volunteer and paid staff who work with children/youth or vulnerable adults will agree to submit themselves to a criminal records check, such check to be completed at the discretion of the paid staff member in charge of the ministry area.
All information obtained during this screening process will be considered confidential and will not be disclosed to others, unless the church deems the limited disclosure necessary to protect a child from possible harm. All material collected during the screening and application process will be kept in a locked storage cabinet in the office area. The maintenance and security of these records will be the responsibility of the Parish Administrator. The pastoral staff will also have access to these records.

4. Training

All volunteers and paid staff will attend an abuse prevention training session, which is scheduled as needed throughout the year. The trainer will provide completed volunteer applications to the Parish Administrator as evidence of training completion. Stephen Ministers are not required to take the abuse prevention training as their Stephen Minister training is already evidence of compliance.

5. Renewal of Volunteer Service

For those volunteers and paid staff renewing their service with Hope Lutheran Church, once every five years they must attend the abuse prevention training session. In addition, volunteers and staff are required to yearly read the Hope Lutheran Church Abuse and Harassment Prevention Policy. After this document is read, volunteers must fill out and sign the Volunteer Service Renewal Form. A signed form needs to be on file for every child/youth worker.

6. Approval of Applications

After reviewing the above information, final approval to work with children/youth shall be made by the Pastoral Staff or their designate, with the determination being documented in the church record. Any applicant who has been charged and convicted as an adult of any sexual offense or child abuse shall not be permitted to work with youth or children in any capacity.

B. Guidelines for Working with Children or Youth

In order to create a safe environment the following are guidelines for all who work with children or youth at Hope Lutheran Church.

1. Parental Participation

Parents and Legal Guardians of all children/youth will always be welcome in classrooms, and their presence is encouraged in all learning environments.

2. Permission and Emergency Forms

All children/youth participating in events of Hope Lutheran Church held off-site, whether they are members or not, will fill out and turn in to their supervising adult a signed Youth Participation Form for that event. They will also have on file a signed Emergency Release Form.
3. Volunteer Drivers

All individuals who provide transportation for off-site youth or children’s activities must:

a. Be at least 21 years of age.
b. Complete a volunteer driver application.
c. Give consent for the church to perform a driver’s record check.
d. Have current insurance with a minimum of $300,000 bodily injury liability coverage.
e. Practice safe driving habits, including following all laws and ensuring that all passengers are wearing seat belts.
f. Not consume any alcoholic beverages or controlled substances while operating the vehicle.
g. Refrain from consuming alcoholic beverages for at least 24 hours prior to providing transportation.
h. Not operate the vehicle while using any prescription or over-the-counter medication which may cause drowsiness or otherwise impair the driver’s ability to operate the vehicle.
i. Not operate a cell phone or eat while the vehicle is in motion.

After reviewing the driver application and record check, final approval for driving children or youth will be made by the Pastoral Staff or their designate, with the determination being documented in the church record.

III. Boundaries for Behavior in a Safe Environment

As a congregation it is important for us to establish safe boundaries for all who participate in our ministries. The following behaviors are boundary violations and are prohibited for all paid and volunteer staff.

A. Sexual Abuse: (as it applies to minor or vulnerable person interaction) is the subjection of a minor or vulnerable adult, by any person responsible for their care, to any sexual act which is a violation of the Michigan Criminal Sexual Conduct Code.

B. Sexual Exploitation: (as it applies to any formal helper/helpee relationship) is any kind of sexual contact between counselor and counselee, whether initiated by either counselor or counselee. While Michigan law prohibits counselors (including members of the clergy in certain circumstances) from engaging in such sexual conduct, our church seeks to prohibit all of its paid staff and volunteers from engaging in sexual contact with any person for whom they currently have direct or indirect responsibility.

C. Sexual Harassment: Hope Lutheran Church will not allow its paid staff or volunteers to sexually harass any child or vulnerable adult participating in the ministries of our
congregation. Sexually harassing or offensive conduct includes, but is not limited to: sexual flirtations, touching advances, or propositions; verbal abuse of a sexual nature; graphic or suggestive comments about an individual’s body or dress; sexually degrading words to describe an individual; and the display of sexually suggestive objects, materials or pictures.

D. **Physical Abuse:** Physically abusive conduct includes but is not limited to the non-accidental injury to a child or vulnerable adult caused by the acts of a parent or another person responsible for the care of the child or vulnerable adult. Examples might include inappropriate or rough discipline of a child in a classroom setting, physical retaliation for a perceived slight or threat, etc.

E. **Emotional Abuse:** Emotional abuse may be defined as a pattern of behavior that attack’s a child or vulnerable adult’s emotional development and sense of self-worth, such as belittling, name-calling, insulting, or manipulating.

IV. **Procedures for the Handling of Allegations of Boundary Violations: Sexual, Emotional, and Physical Abuse**

*If you suspect that a minor or vulnerable adult has been abused, you shall immediately bring your reasons for this belief to the attention of the paid staff member in charge of your ministry area (e.g. the Associate Pastor, the Director of Worship, Music and the Arts, or the Director of Children’s Ministries). If abuse is suspected after discussing the situation, the paid staff member will bring your report to the Senior Pastor who will follow the protocol outlined below. (If the suspected abuse is related to the paid staff member in charge of your area, then the matter shall be referred to the Senior Pastor. If it is related to the Senior Pastor, then the allegations shall be reported directly to the President of the Strategic Planning Council.) In consultation with the pastoral staff, a necessary course of action will be determined. All information regarding suspected abuse is to be kept strictly confidential.*

A. **What To Do When You Suspect Abuse**

1. **State-Mandated Reporting of Alleged Offenses.** As care-givers to members of God’s church, it is our responsibility to look out for the welfare of those in our care. State law does not require volunteer child/youth workers to report actual or suspected emotional, physical, or sexual abuse. Should a child/youth worker voluntarily make a report to civil authorities, however, the law provides that he or she be immune to civil or criminal liability, provided the report was made in good faith and without malicious intent. So, while reporting is not required by law, part of our responsibility as care-takers of minors and vulnerable adults is to immediately report the suspected abuse to the pastoral staff and/or the appropriate civil authorities.

2. No single indicator of abuse or neglect is necessarily cause for alarm, but it may be cause to observe a given person or situation more closely. When multiple indicators appear together, however, it is appropriate to discuss the situation with the appropriate paid staff member of the church or, in urgent cases, to make an immediate report to the civil authorities.
3. Reporting abuse can precipitate severe consequences to a family, so it should never be done casually or thoughtlessly, and certainly not for malicious purposes. At the same time, failing to report abuse can have severe consequences to a child or vulnerable adult at risk. Therefore, if reasonable cause to suspect abuse exists, the concerned person is encouraged to talk with a senior staff member to see what steps might be considered to protect the child or vulnerable adult and help their family. Senior staff members include the following: Senior Pastor, Associate Pastor, the Director of Worship, Music and the Arts, or the Director of Children’s Ministries.

4. All incidents of suspected abuse are to be kept strictly confidential. No statements to the media are to be made, except by the Senior Pastor, Strategic Planning Council President, or their designate.

B. Reporting of Alleged Violations to Church Authorities

When a report of suspected abuse is made to the staff of the congregation, it is also necessary for us to report any allegations of abuse to the appropriate church authorities in our local congregation and to the broader church organization.

1. Reporting the Alleged Violations to the Senior Pastor and the President of the Strategic Planning Council.

2. All alleged violations of the above-named Boundaries for Behavior shall be reported to the staff person associated with their ministry (e.g. Associate Pastor, the Director of Worship, Music and the Art, or the Director of Children’s Ministries).

3. If the suspected abuse is related to the paid staff member in charge of your area, then the matter shall be referred to the Senior Pastor. If it is related to the Senior Pastor, then the allegations shall be reported directly to the President of the Strategic Planning Council. The staff person will report the suspected abuse to the Senior Pastor who will, in turn, notify the President of the Strategic Planning Council.

4. Reporting Alleged Violations to the ELCA.

In addition to the reporting to civil authorities, the Senior Pastor or his/her designate shall report all alleged violations to the Southeast Michigan Synod office of the ELCA, when the alleged violator is a member of the clergy or paid ministry staff. (Again, if the senior pastor is suspected of abuse or harassment, the complaint shall be brought directly to the President of the Strategic Planning Council.)

C. Investigation of Reports of Suspected Abuse or Harassment

If a report of suspected abuse by a staff member or volunteer is brought to the attention of the Senior Pastor, the following steps will be taken as soon as reasonable possible:

1. The church’s legal advisor is to be notified and the allegation investigated immediately. The Senior Pastor will not perform the investigation
himself/herself. Rather, he/she will seek the assistance of someone outside of the church who is truly an expert in such investigations. Any investigation by Hope Lutheran Church must be made only in cooperation with any civil investigation, if one is taking place. If a civil investigation is not taking place and the church investigation sustains the allegation, the civil authorities will be notified.

2. Pastoral care and support are to be offered to the person(s) bringing the allegation and/or the victim of the alleged abuse or harassment.

3. The paid staff or volunteer who is accused of a violation is to be offered the opportunity to be accompanied in all meetings by their attorney or advisor. Hope Lutheran Church will attempt to be sensitive to all parties involved.

4. As to paid staff members, investigation and appropriate disciplinary action shall be done pursuant to Hope Lutheran Church’s personnel policy.

5. As to volunteers, the senior Pastor and the Abuse and Harassment Prevention Committee will investigate the complaint, and if the allegations are proven true, they will determine the appropriate disciplinary action.

6. Careful written records of all investigatory steps are to be made, including interviews. The person(s) conducting the investigation will present a written report of the facts to the Senior Pastor, Personnel Committee Chairperson, Director of Leadership, and the Strategic Planning Council President.

7. Unless circumstances require it, an investigation shall last no more than sixty days.

8. When the allegation is not proven or not corroborated, a written record of this determination is to be made. All parties to the investigation are to be notified if the allegations are proven or dismissed.

Warning Signs of Abuse and Neglect

The following is a list of behaviors that can signal that a child is suffering from some form of abuse. If you see any of the following warning signs, it is not an immediate cause for concern. Instead, you are encouraged to watch the child for further signs of abuse over the days or weeks that they are in your care. The presence of these signs or indicators merely alerts you to the possibility that abuse has occurred. The indicators are not in and of themselves, conclusive proof that a child has been abused or molested. Obviously, extreme injuries without cause or explanation are a very real reason for concern and shall be brought to the attention of the paid staff member in charge of your ministry area and/or the appropriate civil authority. These warning signs will be discussed in detail in the Abuse Prevention Training Workshop.

Indications of Physical Abuse:
♦ child reports injury by others, or provides inconsistent or conflicting accounts of how the injury occurred;
♦ unexplained bruises, welts, lacerations, burns, fractures, abdominal injuries, or human bites;
♦ child is unusually wary of physical contact with adults, demonstrates extremes in behavior, wears inappropriate clothing for the season, or seems frightened of parents or caretakers.

Indications of Sexual Abuse:
♦ child reports abuse by others;
♦ has difficulty walking or sitting, torn, stained, or bloody underclothing; complains of pain or itching in genital area;
♦ bruises or bleeding in external genitalia, vaginal or anal area;
♦ a fear of touch;
♦ extreme and sudden fear of being left alone with a particular person;
♦ unusual and excessive behaviors inappropriate for a child of that age.

Indications of Emotional Abuse:
♦ deficits in growth or development;
♦ habit disorders-thumb sucking, head banging, rocking;
♦ conduct disorders-antisocial behavior;
♦ adaptive disorders-inappropriately adult or infantile behavior;
♦ dramatic changes in school performance; and/or
♦ suicidal behavior

What to Report to Civil Authorities

If you suspect that a minor is being abused, call the county social services agency or the County Sheriff and report the following:
1. What happened
2. To whom it happened - include full name and name of parents or legal guardian(if minor)
3. When it happened
4. Where it happened
5. Who was responsible for the abuse, include full name if known

You need fear no reprisals or civil action if you make your report in good faith.
