

CALL COMMITTEE UPDATE

In January the Call Committee updated the Ministry Site Profile, which documented Hope's characteristics and vision as well as the ministry needs we are seeking to fill with a Minister of Congregational Life. This was sent to the Southeast Michigan Synod and was posted along with the job description. Evan Finley joined the Committee when Rachel Allvin moved to Arizona.

The Synod sent information on candidates from southeast Michigan and the Committee interviewed three of them in February. This month the Committee will continue its evaluation of these candidates as it tries to determine who best fits this call.

As we complete our process, we will be recommending a candidate to the SPC, who will present the candidate to the congregation. If you have questions or comments, please feel free to contact ANY of the Call Committee members found on the Hope website. [CLICK HERE](#)

Please keep us, Hope, and the candidates in your prayers as we all continue to discern God's future for all of us.
