Dear Friends at Hope Lutheran Church,

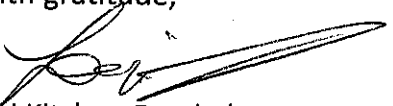

Thank you for providing for the needs of the many survivors of domestic violence and sexual assault who reach out to First Step for help. Your kind donation on February 20, 2019 of a pre-owned telephone, cell phones, iPad, and accessories will help our clients stay safe and connected. Many of our families arrive traumatized by assault with just a few personal items in a duffle or garbage bag. Your gift helps us to care for our residents as you would care for your friends and family in your home, by providing them with the things they need to feel comfortable, cared for, and safe.

Everyone here at First Step is grateful that among the many non-profit organizations in our community, you have chosen to invest in the important work of First Step. Together, we can strive for peaceful families and safe communities by working together on First Step's mission to eliminate domestic and sexual violence, and provide comprehensive services to individuals and families affected by these crimes.

Please take a look at our website (www.firststep-mi.org) and 'like' our Facebook page (www.facebook.com/firststepmi/) to learn more about our programs, and to get updates on our programs, successes, and needs. We also invite you to contact Theresa Bizoe, Director of Philanthropy and Capital Projects, at tbizoe@firststep-mi.org or 734-656-0730 with any questions, or to arrange a tour of our facility.

Thank you for being part of our movement to end violence;
and we give thanks for your caring heart.

With gratitude,

Lori Kitchen-Buschel
Executive Director
