Steve opened in prayer

Review & Approve Minutes from April 12th

Motioned to approve by Joe, Seconded by Jessica

Review Action Items from April 12th

- Joe and Dave to look into storage shed options: Joe spoke with the owner of Bolton Feeds, no longer carrying sheds. Steve called about shipping containers, about \$4,000 for a used one, \$5,000 for a new one. Joe will look into another site in Jamestown that may carry them.
- Follow up on team transitions: Michael shared that he likes the idea of bringing a financial meeting to a church service, incorporating worship and teaching all in the same theme. At this time the team hasn't had a lot of opportunities to think about who will take their place in a year. He also shared that the fiscal year would be an appropriate time for the transitional leadership team members (Steve, Bob, Pam) to step down as planned. Bob said that he would need to step down either way, because he isn't local at the moment. Pam mentioned that she feels the same way about stepping down. The three transitional members agreed to finish the fiscal year and step down as of July 1st. Greg made a motion to accept their resignations and Robyn seconded it. Michael made a motion to bring to the congregation that they approve the request that currently elected leadership team members start their official 1 or 2 year terms as of the new fiscal year on July 1st. Georgia, Robyn and Michael will serve 1 more year, the rest will serve 2 more. Robyn seconded the motion.
- Robyn will look into shade kites with Gary Winton: Gary found some shade sails. Beige, they will attach to the building and the trees. Gary will purchase and set up.
- Jenny to submit a proposed annual budget to the leadership team for the next fiscal year: Jenny sent out the proposed budget to the team. She would like to have individual conversations with each of the leaders to go over their ministries budget. Michael said at that point he and Steve and Jenny can go over it together.

Old Business

- See Above

New Business

- No New Business

Team Reports

- No team reports this week

Action Items

- Joe to follow up with storage shed options.
-

Future Meetings (7 PM via Zoom Meeting ID# 926 5292 1179)

- June 7th, July 5th
