o **Importance of us being there:** Joe encouraged all of the leadership team to be a part of this occasion.

o **Any last minute details?** Possibility of meeting with the leadership team on Friday sometime. Michael will get more details to us as they come.

New Business

- **Building lease:** Our lease expires this June. Sonora Area Foundation has offered us a 2 year lease for \$3200 a month, all other terms the same. Michael thinks we should see what happens at the Vision Day and go from there. Leadership team approves. To be followed up at the April leadership meeting. Greg said that our insurance policy ends on March 20th, and it will be dropped at that point. We have until 4/20/25 to find a new liability insurance. Greg will ask Lynn to look into this.
