GREETING

Greetings in the name of our Lord and saviour Jesus Christ.

First of all, I would like to say thank you very much for your continuous support and prayers for my ministry here in Eastern Nepal. I am so happy to share this ministry progress report from over the past six months with you.

MINISTRY

As you know I have been serving the Lord through Kalbari Fellowship Church. We have about 70 members worshipping God together at this fellowship. We have branch churches in further areas as well with about 50 believers.

During the past six months, I have experienced many ups and downs due to problems caused by the flood and then the pandemic. It has been a very challenging time for our community members who experienced damage to their houses and crops because of the flood and then the illness and fear that Covid-19 brought.

The country was locked down for a long time and we could not travel to encourage people, have fellowships or share the gospel. However, we did run the main fellowship, breaking off into small groups in different areas and we tried to share the gospel whenever we crossed someones path.

My ministry is mainly in Dhanpal, Rangel, Sunabashe and Khawamai with the hopes of establishing new fellowships there. Many people live in the darkness so please pray that they may come into the light of our Lord Jesus Christ.

GOALS

Now that things are becoming more normal here. our plan is to share the gospel as much as possible. We want many more people to have the privilege of hearing about the love of Jesus. Most people we engage in this area are uneducated so we teach through films and skits.

FAMILY

We are all doing well despite the challenges and we are continuing to serve the Lord. Our children are also in good health and doing well in their studies.

PRAYER REQUESTS

1. Kindly pray for me, my wife, our children and all our church family. Specifically for our spiritual growth and God's guidance.'
2. Pray for our ministry and church in general and also for Nepal as a whole.
