Focal Point is our summer ministry focused on intergenerational fellowship, learning, and discipleship. Every other Wednesday throughout the summer we will gather together and share a meal before we move into a time of worship and learning. Our main focus in these gatherings is to be together. During our meal, and even as part of our time of learning, our focus is on connection and discussion. We would love for you to be a part of these nights, and we hope Focal Point can be a great way for our church to build relationships and get connected.

Following the mealtime and worship, at approximately 6:40, Beth Jennings will provide activities and curriculum for children preschool through 5th grade. They will be following a curriculum called "App Store" and will be discussing how to apply the Bible to our daily lives. Depending on need, we will have nursery available as well. We would very much appreciate families to RSVP for Wednesdays so we can plan accordingly.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
