Game Time! – First Saturday of the month, 10am in the Fireside Room. Board games are a great way to bring people together, to set aside an hour or two and be completely focused on those around you. It also allows for those of us who are more introverted not to have to worry about having to make conversation, because conversation just flows naturally from the gameplay. We will be meeting once a month, and there will be four games of varying difficulty set up. There will also be other options for younger players or for those not interested in learning a complex game. We hope to see you there! No reservation needed. Contact Nick Verburg with any questions. On deck for July 2: Ticket to Ride, Azul, Catan, King of Tokyo. More info will be sent out this week.

Lost and Found – There are a number of items in our lost & found in the office hallway, and a few in the front office (Phonak hearing aid, car keys).

Church Directory – We are almost done putting our directory together. There will also be an online version, powered by Instant Church Directory. You'll be able to download the app right to your phone or tablet, and each person/family will have their own unique log-in and can update your info at any time. You don't have to be a church member to be included; anyone who considers RRC their home church can participate. This will be the basis for our print directory, so it is important to include as many people as possible. **If you do NOT wish to be included, let us know.** If you aren't sure if we have your info and you DO want to be included, let us know as well. Only those included in the online version will be able to access the online directory. **Be sure we have the most up-to-date info by filling out the form at [RockfordRC.org/contact/directory](https://www.rockfordrc.org/contact/directory).** Print directories will still be available for those who are not online.
