Kids Hope Update from Emillie Clayton: The Kids Hope USA program that links Rockford Reformed Church to Valley View Elementary School is a practical opportunity for church members to engage the community of Rockford. Rockford Reformed Church continues to see Kids Hope USA as a valuable ministry to our vision. Kids Hope USA is a program that brings together one church and one school. Volunteers from the church serve as mentors and prayer partners. Mentors are volunteers who are equipped to go in the school for one hour, one time per week to meet with a student who is referred to the program by a teacher or staff member. Students that are referred to the program may struggle academically, behaviorally, emotionally, or socially in a school setting. A one to one mentor can be an amazing benefit by providing encouragement and support throughout the school year. It is amazing when a child knows and understands their value, and as mentors, we can demonstrate that week after week by just showing up. Prayer Partners are volunteers who are equipped to pray for a mentor/student pair. The prayer partner will check in with a mentor/student pair weekly to understand how to pray and then they pray consistently for the mentor student pair. The mentor and prayer partner can share in the joys and challenges that come with this work. Kids Hope USA has been a part of our ministry here at Rockford Reformed Church for 20 years. There are amazing stories of how God has worked through this program. God has already provided some past volunteers and new volunteers for this school season. I am so excited to see how God is going to work this year through the mentors and prayer partners this year. If you would like to be a part of this ministry or learn more about it, please email me at emillie@rockfordrc.org.
