Renovation prep days:

We have been hearing the word “renovation” for quite some time now, and it’s finally here! With the renovation comes a few things that need to happen ahead of time, and we would like your help. Laura and Beth will be coordinating a couple work days which will consist of moving chairs to the gym, cleaning out a couple of closets, and bringing the lobby to a new area. If joining us you’ll need to be able to lift and move items.

The work days are **June 6 & 8, 10am-2pm**. Look for the sign-up sheets at the back of the sanctuary and in the lobby (near the name tags) - these will help us gauge how many people will be showing up. A list of what needs to happen each day will be provided on those dates once you arrive. Once these are done, the renovation team will provide a separate list of work dates and projects that they will need help with.

Vacation Bible School: June 25-28, 6-8pm. VBS is available for kids ages 3 years through those just leaving 5th grade. Registration is open at RockfordRC.org/vbs.

June Missions Spotlight: Old cathedrals, beautiful yet empty, are scattered throughout European cities and landscapes. Today, with the days of the historic European church in the past, young people are expressing an openness to the gospel message through the presence of church planting movements. **Doug and Dianne McClintic** help North American congregations partner with the next generation of European churches as they develop a strategy of local empowerment, collaboration, and evaluation. The McClintics provide support, strategic coordination, and expertise to congregations, classes, regional synods, and other agencies in their European church planting efforts.

Today's special music: *Child of the King*, words and music by Joan Wedeven, June 2023, Great Aunt of Amelia Ann Brinks.

View each week's song list on our website, with links to listen on Spotify or watch on YouTube. Worship throughout the week!
