Join us for the brief congregational meeting today following our worship service. This is a “refresh” of our Welcome campaign. And so, we will take some time to review where we are relating to the vision and the renovation work. And then we will see how God has been providing for the finances so far and consider the ways that we can give, commit, re-commit, or increase our commitment for our giving in the future. God has faithfully supplied for our ministry work and we will continue to step out with faith for his continued provision.

A wide-angle photograph of a large, curved wooden stage under construction. The stage is built from light-colored wood panels and is surrounded by a wooden floor. The ceiling is made of dark wood beams, and the walls are white with metal support beams visible. Various construction materials, including pipes, a ladder, and tools, are scattered on the stage floor. The background shows a large hall with more construction work in progress.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
