## Indy Vineyard Missions Guidelines

### Short-Term Missions (1 week to 1 year)

- We value short-term trips when God has called a person / family to give of
  - themselves to see the Kingdom of God extended outside of Indianapolis. This can often lead to long-term callings and fruitful, extended service and/or church partnerships.
  - For consideration of short-term mission funding, we ask the following:
    - Member of the Indy Vineyard
    - Regular attendee at the Indy Vineyard for at least 9 months
- Submission of a formal application for \_\_support to include:
  - information on the facilitating organization
  - purpose of the trip
  - description of God's calling to the trip
  - full disclosure amount needed and personal investment in the mission.
- Commitment to post-trip written or verbal report to the church (at church discretion)
