Posters

Did you know that FAAST has created posters to help raise awareness about human trafficking? And the best news....they are **free**. Hands That Heal Training

Educating our community is a vital way to fight human trafficking. One way you can educate your community is by hosting a Hands That Heal training. The Hands That Heal curriculum provides a comprehensive approach to victims of trafficking and educates caregivers so that they may appropriately and effectively provide care and support. The training inspires people to engage in the struggle against human trafficking and trains individuals to provide transformational care to survivors.

Prayer

Look with pity, O heavenly Father, upon the people in this land who live with injustice, terror, disease, and death as their constant companions. Have mercy upon us. Help us to eliminate our cruelty to these our neighbors. Strengthen those who spend their lives establishing equal protection of the law and equal opportunities for all. And grant that every one of us may enjoy a fair portion of the riches of this land; through Jesus Christ our Lord. Amen.
