

SHARE

Share—grow in sharing the love of God and neighbor with our neighbors

Ways We Can Share

- **By How We Live:** As our faith deepens through Seeking and Serving, our hearts change, which changes how we live. We are changed into the image of Christ and live in a way that makes others want to know more, leading them to Seek.
- **By Welcoming and Being a Neighbor:** Establish relationships with those around us, not just within the church.
- **By Sharing Our Faith:** Share what Jesus has done for us as people seek to understand what we've got.

What might growth look like in this area?

- Introduce yourself to people within the church at worship, volunteer opportunities, and mission opportunities; help them feel welcome and included.
- Wear church T-shirts around town and put a church sign in your yard.
- Consider your faith journey and develop your own "faith story." How would you explain to a friend the difference your faith has made in your life in less than five minutes?
- Share your faith journey with a friend and/or someone in the church, such as in Sunday School or a Discipleship Group.
- "Like" and share the church's social media posts.
- Invite family, friends, and neighbors to church events such as VBS and Trunk or Treat.
- Invite a family member, friend, or co-worker to worship with you; make sure you'll be there so they know at least one person when they arrive.
- Share your faith story in worship.
- Freely and comfortably acknowledge and share Christ's work in your life and your faith story, as appropriate, in routine conversation.
- Routinely invite others to "come and see" events, worship, and small groups.
- Mentor others in being disciples of Jesus and help them consider their own faith stories.
- Reflect on how sharing your faith with others continues to grow and deepen your own relationship with God.
