

Builders | 10 AM | Room 118 | All Welcome

The Builders' Sunday School class is a fun group of all ages that meets each Sunday. We are a friendly, caring, small group interested in learning more about the Bible, and in doing so we are "building" on our Faith in God and his son, Jesus Christ. We are dedicated to praying constantly for each other and the daily concerns on our hearts. We pray for each other's loved ones as well as our Congregation and the world around us. We are dedicated to helping our Community, our Church, and each other whenever there is a need.
