# About Archdale Friends Quaker Men's Group

The Quaker Men Group of Archdale Friends Meeting was formed in the 1960's with the stated purpose to present Jesus Christ unto all men in our Meeting and in our personal example as Quaker men. It was formed as an affiliate of North Carolina Quaker Men. During the early days of Quaker Men most of the activities were centered on playing softball, but the group has evolved into a service organization. The group meets at 8:15 AM the second Sunday of each month except during June, July and August at the Fellowship Hall of Archdale Friends Meeting for a wonderful breakfast and an inspirational program usually given by people in the Archdale community. The Quaker Men now have two major fund raisers annually which are the pancake breakfast, and the Memorial Golf Tournament. The proceeds from the fund raisers are given to special needs in the community, national projects, and projects around the world.

JERRY TILLMAN

Jerry Tillman was born in Chatham County on October 10, 1940. He grew up near the Crutchfield's Crossroads area. Upon his father's passing when he was twelve, his mother remarried and he and his family lived in various places throughout the US...from California, Utah, and Louisiana, while his step-father honored his commitment to the US Army.

Jerry attended Elon College on a baseball scholarship. While there he was selected to All-State and All-Conference honors. He also made the All-American honorable mention selection his junior year at Elon. Jerry earned his degree in Education at Elon. He also met his future wife, Marian while at Elon. They married in December of 1963. After graduating with teaching degrees, they began their teaching careers together in Seagrove and settled in Asheboro.

After being selected Principal at Trindale Elementary in 1969, Jerry and Marian and their young son, Jeff, moved to Archdale from Asheboro that year. They also began attending Archdale Friends Meeting at that time. The family grew. Jerry, Marian, Jeff, Patrick, and Mary Elizabeth could usually be found on the second or third row, middle section, of Archdale Friends on Sunday mornings. Being up near the front of the church for an Isaac Harris sermon was not something to be missed.

Jerry went from his principalship at Trindale Elementary to a principalship at Archdale-Trinity Middle School in 1977. Jerry headed up that school for almost a decade before a promotion to the County Education Office. After retiring as Assistant Superintendent for Randolph County Schools, Jerry ran for, and was elected to, the NC State Senate. He represented Randolph County in the General Assembly for 18 years, serving as a State Senator from 2003 until his retirement from the General Assembly and subsequent appointment to the NC Board of Transportation in 2020. He served on the NC Board of Transportation up until his passing.

Jerry was a very active member of Archdale Friends for more than fifty years. He taught Sunday school, served on the Ministry and Council, served as Presiding Clerk and for many years served as a Finance Chair.

His wife, Marian, passed away in August of 2019. Jerry passed away on Feb. 4, 2023. He is survived by his 3 children along with their families which include nine grandchildren and one great grandchild.
