Do not neglect the gift that is in you. I Timothy 4:14

All of us possess special gifts and talents; you are no exception. But, your gift is no guarantee of success; it must be cultivated and nurtured; otherwise, it will go unused. . . and God's gift to you will be squandered.

Today, accept this challenge: value the talent that God has given you, nourish it, make it grow, and share it with the world. After all, the best way to say "Thank you" for God's gift is to use it.

The Lord has abundantly blessed me all my life.

I'm trying to pay Him back

For all of His wonderful gifts; I just realize that

He gave them to me to give away!

~Lisa Welch

God is still in the process of dispensing gifts,

And He uses ordinary individuals like us

To develop those gifts in other people.

~Howard Hendrick

Every generous act and every perfect gift is from above, coming down from the Father of lights. - John 1:17
