

## QUESTIONS: Holy Spirit?

**This Sunday's question is the last in the Questions series. The four questions covered addressed: What is predestination? What happens when we die? How should Christians think about politics? What does the Bible say about the Holy Spirit?**

*Of these four questions (and corresponding sermons) which did you find most interesting?*

*Was there anything new you learned throughout this "Questions" sermon series?*

*Did the various discussions and sermons raise more questions for you?*

*Which of the four topics would you like to learn more about?*

**This week's question had to do with the Holy Spirit**

*Have you heard a lot of sermons about the Holy Spirit?*

*Have you ever been in a church that focused a lot on the Holy Spirit? Do you think that was good?*

**Read Romans 8:26-27. One of the ways in which the Holy Spirit helps us is when we pray.**

*Had you ever thought about that before?*

*Does it encourage you to know that the Holy Spirit helps us when we pray? If so, why?*

**The sermon also discussed that the Holy Spirit directs and leads us.**

*Is it sometimes difficult to discern God's will for your life?*

*When someone says that "God is leading them to do something" what is your initial reaction? Supportive? Skeptical? Encouraging? Guarded?*

*How, if at all, can other Christians be of help to us as we seek to discern God's will?*
