

Cornerstone Christian Preschool March 2019 Newsletter

March is here! Cornerstone Christian Preschool has a very exciting month! It was twelve years ago that Cornerstone Christian Preschool opened our doors with only four children. We just want to say thank you to our parents for your support over these past twelve years.

Our memory verse is:

**"Let everything you say be good and helpful."
Ephesians 4:29**

The letters of the month are N, W and Z. We will be exploring the desert nights, Mojave desert and the rodeo. Reviewing our numbers 1-14.

The colors of the month are black, yellow and orange.

Site words for TK: I, am, not & a.

One of our needs this month is SAND. If you are able to help we would like about 3 bags of sand.

Let Miss Jaimie or Miss Sheryl know.

Many Blessings this March!

CORNERSTONE CHRISTIAN KINDERGARTEN

Many of you have been asking about our kindergarten program. Hopefully, the following information will be helpful in answering your questions. Our kindergarten program will be under the preschool this coming school year. Just a little history about our program. Miss Jaimie has taught the kindergarten class in years past. We are very excited that the Kindergarten Program will be under the preschool once again.

Cornerstone Christian Preschool/Kindergarten will have the same mission which is to glorify God by providing educational excellence in a nurturing, Christ centered environment to prepare the children to grow spiritually. We exist to connect children to Jesus Christ by communicating the truth of God's Word and by providing avenues for healthy relationships to flourish. We encourage children to develop skills through hands-on, real-life experiences that allow for self-discovery and feelings of pride in your child.
