Dear Parents,

We greet you with excitement and sadness at the same time. This past year has gone so fast. Thank you for allowing Cornerstone Christian Preschool to be a part of your lives. Each child has a special place in our hearts. Here is letter that expresses how we feel!

I give you back your child, the same child you confidently entrusted to my care last fall. I give him/her back pounds heavier, inches taller, months wiser, more responsible, and more mature than he/she was back then, although this growth would have attained in spite of me. It has been my happy privilege to watch your child's personality unfold day by day and marvel at this splendid miracle of development. I have thrilled at each new achievement, each new success, every achievement of self. I give your child back reluctantly, for having spent ten months together in the narrow confines of a crowded classroom, we have grown close to each other and we shall always remain a little of each other.

Ten years from now, if we meet on the street, your child and I will have a light that will spring to our eyes, a smile to our lips, and we shall feel that bond of understanding once more, this bond we feel today. We have lived, loved, laughed, played, studied, learned, and enriched our lives together this year. I wish it could go on indefinitely, but give him/her back I must. Take care of your special child, for this little person is precious.

Remember that I shall always be interested in your child and his/her destiny, wherever he/she goes, does, or becomes. The joys and sorrows I'll be happy to share. Please call me if there is ever anything further I can do.

May God Truly Bless your Family,  
Miss Jaimie
