Missouri Campers on Mission is a chapter of the National Campers on Mission - a fellowship of Christian campers providing families and individuals the opportunity to share their faith and love of Jesus Christ while participating in a personal "on mission" experience.

There is no membership fee. Our costs for essentials are covered through a love offering received through the membership.

Because our children and youth are the future of our faith, we have chosen as an organization to serve Missouri Baptist Associational Camps doing construction, maintenance, and repairs to their facilities. The camps and institutions provide the material while we provide the tools and labor.
