

## Sunday Cypress Kids: What To Expect

Dear Cypress Parents,

**Please read the following information carefully so that you and your child are prepared for a great Sunday at Cypress Kids!**

### 1. Check In:

- Check-in is available at 9:00am or 9:15am, following the final song in the worship set. Children can be checked-in in the children's building in their classrooms. Please do not drop off children prior to the 9:00 check-in since we do not have supervision for that time.
- Check-out will take place at the classroom after the 9am service concludes.

### 2. Masks:

- Masks are optional for all children, parents and class leaders.
- Face Shields are available upon request.

### 3. Other Guidelines

- All toys and surfaces will be sanitized after each class.
