

COMPLIMENTARY WI-FI SERVICE

1. To use our campus Wi-Fi, locate and double-click on your the Internet Browser Icon
 - Internet Explorer, Mozilla Firefox, Google Chrome, or Safari for Mac Users

2. Read and agree to the Computer and Network Responsible Use Policy
3. The following screenshot should appear on your computer:

The screenshot shows the WAVESCONNECT website. At the top is the logo "WAVESCONNECT" in blue and orange. Below the logo is a navigation bar with "WavesConnect" on the left and "Registration" on the right. The main content area is titled "Welcome" and contains the text: "All computers must be registered to their owner or responsible party in order to access the network. Please choose the appropriate registration option:". There are four registration options listed, each with a "START >>" button and a laptop icon: "Current students, faculty and staff" with a link to "Students, faculty & staff register using their NetworkID"; "Sponsored Guests" with a link to "Register using an ID provided by a University sponsor or event coordinator"; "Game and DVR Devices" with a link to "Students, faculty & staff may register consoles that do not have a web browser"; and "Self-Registered Guest" with a link to "Self-register for web and vpn access only". The "Self-Registered Guest" option is highlighted with a yellow background. At the bottom of the page, a grey bar contains the text: "If you have any questions, please contact the Anytime Support Desk, (310) 506-4357".

4. Click "START" next to the **Self-Registered Guest** option found at the bottom of the webpage
5. Enter the required information: Name, Contact Phone, and Reason for Visit
6. Click "Register"
7. Wait for the progress bar to complete or reboot your computer
8. Registration is now complete.

****Please keep in mind that you have to re-register every 24 hours*
