The Spiritual Battle

Summer Retreat 2019

July 12-14

Pepperdine University, Malibu, CA

Do You See Life as Warfare?

How we view life determines how we live life. How well we are equipped to win spiritual battles is critical to our success in living an abundant life. Come join us for a weekend of training and restoration as we examine the spiritual battles that we face each day. Our keynote and workshop speakers will provide insight on what every Christian needs to identify Satan's strongholds and live victoriously in Jesus Christ.
