## THEME: Rise Up To The Call of Discipleship

*"You have heard me teach things that have been confirmed by many reliable witnesses. Now teach these truths to other trustworthy people who will be able to pass them on to others." (2 Timothy 2:2)*

Just as Greg Ogden quoted in his book, **Discipleship Essentials**: *"Being a Christian is a statement about what Christ has done for me; being a disciple is a statement about what I am doing for Christ. But if I identify myself as a disciple, then I am making a statement about the quality of my fellowship."*

*Our vision for this year's retreat is simple: Teach what you learn and share life together! We want to use this Women's Retreat as a motivation starter **to affirm** our fellow sisters' identity and ability in Christ and **to equip** our fellow sisters to become disciple-makers.*

## SPEAKER: Michele Telfer

**Michele was born and raised** in Zambia, Africa. She grew up in neighboring Zimbabwe. The Lord has used Michele as a Bible teacher for more than 20 years and has given her the opportunity to speak to many churches around the world. Michele is not only a gifted Bible teacher; she is also a captivating and humorous storyteller, who relates her wide variety of life experiences to teach deep spiritual truths.
