

**Dear Parents,**

**We, the teaching staff of Pettisville Christian Preschool wish to extend a warm welcome to you and your child. It is our desire to make this preschool year a pleasant one for parents as well as for the children attending the preschool in the fall.**

**Play activities are essential in an environment where children are introduced to various cognitive skills and simple concepts, developing social and physical skills as well as promoting language development. Play enhances social interaction and the development of social skills. Through play the children learn how to share and get along with each other. They learn to take turns and to interact with others in a larger community or family setting. Play also promotes physical development and one's ability to coordinate one's body while in motion and may also help promote small and large muscle motor development. Play also assists in personal and emotional development since children can take on different roles in the class, release feelings, express themselves and learn how consider the feelings of others.**

**Your child will participate in a variety of different types of learning and playtime experiences. We do not guarantee that because your child has been actively involved in the preschool program that he or she will have learned everything that has been presented to them during the course of the preschool year.**

**Your help and cooperation will assist us as we attempt to meet the needs of your child. If you have any questions concerning the operation of the preschool please contact me. The preschool office phone number is 419-445-7186, ext. 35. You may also contact me directly. My cell phone number is 419-591-6279. You may choose to email me at [dcolon@pettisvillemissionary.org](mailto:dcolon@pettisvillemissionary.org) or [preschool@pettisvillemissionary.org](mailto:preschool@pettisvillemissionary.org). There are a total of eight forms that will need to be completed and returned to me by August 19, 2019.**

**Parents, please make sure you fill out each form completely; especially the Emergency Transportation Form and Child Medical Forms. All names, addresses and phone numbers must be filled out completely on each of the forms.**

**Preschool age children are learning so much in such a short amount of time. May we as parents and teachers not forget to allow them to enjoy these precious years.**

**In Christ,**
