***The congregation is asked to stand.**

Our congregation invites you to commit your life to Christ as His disciple. Leave your seat and go forward to share with Pastor Seley your desire and he will meet with you privately to talk about how one becomes a Christ-follower. If you have already made such a commitment, and are looking for a church family to belong to, please leave your seat and go forward to share with our Pastor your desire to become a member of Salem. We invite anyone to come forward during the singing of the final praise/hymn in either service.
