“Hold Fast” Series - Panel Discussion

We are very excited about our new series, “Hold Fast: Your Marriage Matters.” We believe that God is calling us into a season of refreshing and renewal for the sake of our marriages and for the sake of the Gospel, and we are hopeful for all that the Lord will do in us in this season and through us as a result of this season.

Every marriage needs to be refreshed from time to time and we all know that even the best marriages face hardships and are hard work. We want to grow together as a church family and see marriages strengthened.

So, in the final week of this series we are going to change things up a bit and bring you a panel discussion on marriage. During this panel we'll be answering your questions on any marriage-related topic!

Use the space below to write-in your questions, tear this sheet off, and drop it off at the Connect Table at the end of the service. You can also email questions to dave@freshwaterchurch.tv

We are excited to engage your question and we're even more excited to see what God will do in our marriages. Thanks for sharing your thoughts and questions with us!

Write-in your questions here:

We Want Your Input!!!

From Phil Kallberg:

Dave has asked me to develop and lead a class which we are calling “Truth in Christ,” that teaches how to engage with issues, problems, and people in a Christ-like way. Christianity is the most rational, the most reasonable, and the most intellectually responsible of all religions and philosophies, so there’s no reason to fear facing questions and doubts.

We would love your input as we finalize plans for this exciting and helpful class.

What issues do you find troubling or difficult to respond to? These could be social issues like how religion and politics mix, intellectual issues like atheistic claims that God doesn’t exist, or theological questions such as how we can have free will despite the fact that God knows the future.

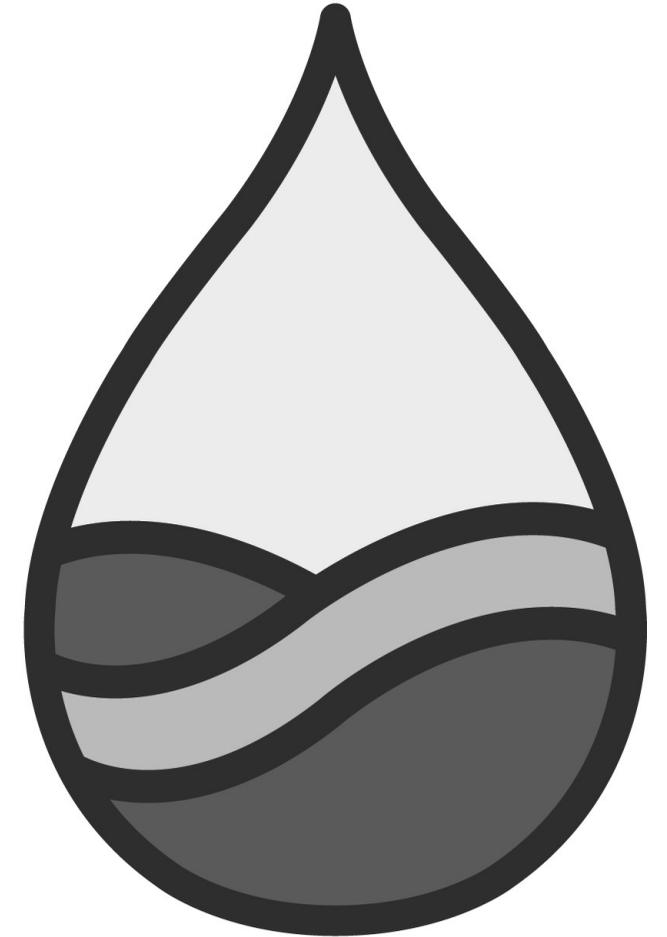

Also we’d like to know when would be a good time to have the class. Which day of the week would work for you? Would you be interested in attending the class over the summer, waiting till the fall, or starting it sooner? Thanks for taking some time to share your thoughts with us. You can use the free space below to leave your input and then tear this sheet off and drop it off at the Connect Table after service. Thanks!

Call To Worship

Deuteronomy 6:4-9 (CSB)

Listen, Israel: The Lord our God, the Lord is one. Love the Lord your God with all your heart, with all your soul, and with all your strength. These words that I am giving you today are to be in your heart. Repeat them to your children. Talk about them when you sit in your house and when you walk along the road, when you lie down and when you get up. Bind them as a sign on your hand and let them be a symbol on your forehead. Write them on the doorposts of your house and on your city gates.

**GLORIFY GOD.
ADVANCE THE GOSPEL.**
