

## NURSERY (0-2Y)

We have two fully equipped nurseries for your infants. Our tiniest members have their own secure room where they can play, crawl and sleep in safety.

Older toddlers have their own place to play games and sing songs-and there's plenty of room for trying out those new little legs! We also provide a comfortable, private lounge for nursing mothers.

There's even a TV in there so Mom doesn't have to miss what's going on in the main service!
