Generations Church

Praying the Scriptures

Prayer is a means of communication, a way to contact our heavenly Father. When we combine prayer with faith in God's Word, prayer is the way His power can be released to meet our needs, allowing Him to get involved in our lives.

It is an awesome experience to open ourselves and freely share our hearts and requests with a loving God. As we pray the Scriptures-we know we are praying in line with His will.

Ephesians 6:18 tells us, *"Pray passionately in the Spirit, as you constantly intercede with every form of prayer at all times. Pray the blessings of God upon all His believers."* TPT

This Daily Prayer Calendar is set up so that the entire G'Church family can pray collectively over the same thing each day. We have included a scripture that would be good to pray over each one, as well as a sample prayer for those who are unfamiliar with praying the scriptures. We hope this daily guide will be a blessing for you and your family.
