

A LOVE FOR CHILDREN...

...Because nothing matters more.

At Generations Church, we have a passion for our kids! We know that the church's mission of taking Christ to all nations begins right here at home with our precious children. KidsWorld is a safe, secure, and FUN ministry where your child will discover how to live a happy, successful life pleasing to God. And they'll be having so much fun, they'll never suspect it's all good for them!

KidsWorld begins the moment you arrive! We have exciting ministry for all ages up through 12 years old.
